Request for Presentation Proposals

New Challenges, New Solutions, how can *FCS BOUNCE BACK?* The spring meeting will examine different aspects of technology and now is the opportunity to continue the conversation at the AAFCS/CT **Fall Conference, November 4th**. Reflecting on our past and discovering ways to propel us into the future.

Do you have a program, lesson or topic that would assist the Connecticut Affiliate in providing professional development for FCS educators?

We are looking for relevant initiatives that will inform attendees on ways FCS provides the means to be resilient for individuals, families and communities. Your topic can be the springboard for becoming more self-sufficient, learning how to stretch the dollar or presenting material on finance, nutrition, textiles, technology and more... Help us continue the conversation with your new solutions by putting the puzzle pieces in place!
